Dear Parent or Guardian:

On occasion, certain very reputable agencies will ask us for permission to film or report on our students in a number of activities. For example, the CISAA, CIS, Toronto Star, Toronto Sun, CBC, etc, may request a video or photo of our hockey or basketball teams in action or the names of individuals who are successful in a particular game to promote high school athletics or academics on their web site, in their newspaper or for a program. We think it beneficial for both the student and the school to encourage these opportunities.

As well, we would like to be able to post pictures of school events on our web site, on a school social media account (twitter, facebook, flickr, etc), in our yearbook and in our student newspaper.

This form gives the school permission to use or to authorize the use of the following for promotional and/or educational purposes:

- 1. Photograph**
- 2. Name**
- 3. Video**
- 4. Voice**

Please indicate by drawing a line through the words with your initials beside, if you do not permit any one or two of the above to be used.

If you have any concerns please contact us at 416-391-1441.

I _____, give my consent to Crestwood Preparatory College to use or authorize the use and publication of my photograph, name, video or voice for promotional and/or educational purposes.
