MINIMUM PROGRAM REQUIREMENTS AND CONTINUING EDUCATION POLICIES

Crestwood's Mission Statement clearly states that "we educate adolescents to develop positive personal relationships" and that we are "committed to academic excellence, while fostering integrity". Since the Crestwood program does not end in the classroom with the acquisition of academic credits, the following policies are meant to nurture these aspects of our Mission Statement.

I. Minimum Program Policy at Crestwood Preparatory

1. The minimum number of courses for students in Grade 9 and in Grade 10 is 8 courses.
2. The minimum number of courses for students in Grade 11 is 7 courses.
3. The minimum number of courses for students in Grade 12 is 6 courses, provided that neither graduation nor post secondary admission requirements are jeopardized. This is conditional upon the student having earned 1- 2 Grade 12 credits in the previous year.
4. A minimum of **1 English credit** must be studied while at Crestwood **in each year**, regardless as to whether the Diploma requirements for English have been met.

All exceptions to this policy must be approved by the Administration.

II. Continuing Education Policy

Students must inform the Crestwood Guidance Department of their intentions to take a course outside of Crestwood Preparatory College **before** registering for the course. Approval for this course must also be obtained. Forms for this notification and approval are available in the guidance office.
