Dear Parent or Guardian:

The Crestwood Preparatory College Parents' Association annually compiles a parent/student directory. Due to certain changes in Canadian privacy legislation we can no longer request for people to "opt out" if they do not want to be included. We are now required to ask for your permission to allow the Parents' Association permission to publish your contact information in the directory. The directory would be available to all parents through the parent login in Edsby. In the directory you would be able to find contact information of your child's classmates and friends.

Any questions concerning the directory and its uses should be directed to the Parents' Association.

Sincerely,

The Administration, Crestwood Preparatory College
