

CPC Online Learning

Finding your class:

Crestwood uses Edsby as our Learning Management System (LMS). Each day students will log into Edsby using their @crestwood.on.ca email. After logging in they will see their daily schedule, morning announcements, messages from their teachers and gain access to each class and clubs.

Once a student has entered their scheduled class they will find the permanent Zoom link for the online meeting. As a security measure students will only be able to join Zoom meetings using their @crestwood.on.ca email.

Edsby - <http://crestwood.edsby.com/> (please note logins will not be active until orientation day)

Zoom - <https://zoom.us/> (please note logins will not be active until orientation day)

Attendance:

For a student to be considered in attendance for an online class they must meet the following criteria:

1. Be logged on at the beginning of class
2. Have their camera on
3. Have a working microphone
4. Be dressed appropriately for the class
5. Be sitting upright
6. Be actively participating in the class

Missing a class:

1. Students that are unable to attend a class due to a technical issue will be required to send a message directly to their classroom teacher.
2. Students that are unable to attend due to illness will need to report the illness to the main office.
